

## Portable Air Conditioners Evaporative Coolers & Fans

**Hire and Sales**

## EH1838

Stylish, compact and modern - The EH1838 mobile portable air conditioner offers tailor-made indoor climate control. The unit utilises a remote control and a programmable 24 hour timer, plus 2 fan speeds, an automatic diagnosis and over-cold prevention functions. This Air Conditioning unit has a 4000W cooling capacity. Ideal for year round use in the home or office. This unit works effectively in rooms from 18-28m<sup>2</sup>. Recycling of condensing water improves cooling efficiency.

- 14,000 Btu/hr (4kW) cooling capacity
- 2 speed fan
- R290 refrigerant
- 24 hour programmable timer
- Remote control
- Dimensions: 715 x 440 x 335mm
- Weight: 27 kg
- Exhaust hose length (m): 1.5

**FOR SALE**

## KYD32

Suitable for larger offices, exhibitions and commercial installations.

- 12,000 Btu/hr (3.2kW) cooling capacity
- 3 speed fan
- R407C refrigerant
- Remote control
- Dimensions: 450 x 860 x 370mm
- Weight: 45 kg
- Hose diameter: 125mm
- Hose length: 2.3m

## KY44B

- 15,000 Btu/hr (4.4kW) cooling capacity
- Suitable for an area of approx 45m<sup>2</sup>
- Continuous running
- 12 hour timer
- 3 speed fan
- Remote control
- Rugged construction
- Easy manoeuvrability
- Easy-Touch control panel with LCD display

## 3000 CM

For offices, hospitals, computer and hospitality suites etc.

- Robust construction
- 3 speed fan
- Water level indicator
- Weight: 18kg
- Air flow: 1550 m<sup>3</sup>/hr
- Water tank capacity: 22ltrs
- Dimensions: 100 x 640 x 740mm

## AIR ROVER

Computer room, kitchen, hospital, process cooling.

- Multiple factory & office cooling
- 18,600 Btu/hr (5.5kW) cooling capacity
- 100% fresh condenser air refrigeration system
- Dimensions: 1270 x 837 x 623mm
- Weight: 134kg

## PAC 15

For offices, hospitals, computer and hospitality suites etc.

- 15,000 Btu/hr (4.5kW) cooling capacity
- Robust construction
- Easy connectable flexible lines
- 30 metre line extension capability
- R407C refrigerant
- Operating range 0-35°C
- Indoor Dimensions: 700 x 950 x 330mm
- Weight: 105kg

## HPF 4500

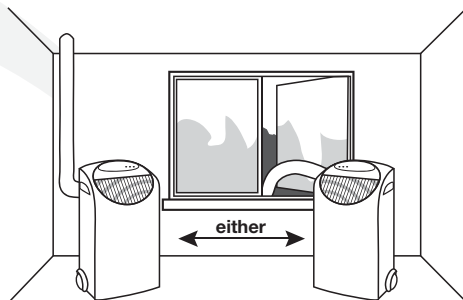

- 18" high velocity air circulator
- 360 degree tilt action
- Precision balance aluminium blades
- High velocity 3 speed motor
- Weight: 7.65kg
- Dimensions: 570 x 550 x 240mm
- 230v-50hz

## MB50

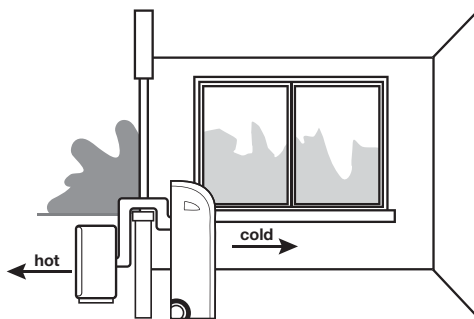

- Fully adjustable stand
- Variable speed controls from stationary to maximum
- 230v and 110v models available
- Dimensions: 830 x 280 x 800mm
- Air output: 6500cfm
- Weight: 17kg

## Air to Air Exhaust Hose

Discharge either through window or up through ceiling tile into void.

## Split Unit External Box

Hang "condenser" out through window (supplied with hanging straps and hooks) or drill hole through wall.

# Portable Heating from Cool Services

In addition to Portable Air Conditioning and Evaporative Coolers and Fans, we also supply portable heaters for corporate and public events and hire solutions for industrial and commercial use.

## The Yee Group difference

Within the group, we offer a range of specialised services in three broad business streams: **SAFETY**, **SPACE** & **TAILORED SOLUTIONS**.

### **SAFETY**

Includes Fire Alarms, Extinguishers and Emergency Evacuation Systems together with Security Systems such as Intruder Alarms, CCTV and Access Control.

### **SPACE**

Includes Air Conditioning, Lighting and Electrical Services.

### **TAILORED SOLUTIONS**

Includes a unique blend of all of our services, or just a selection, to meet your specific needs. One example of this is our Passive Fire Protection Service.
