# Services Summary

## Complete End to End Services

Our portfolio of services is extensive. Within each of the specialisms outlined we offer:

- Design and Installation
- Planned & Preventative Maintenance
- Repairs and 24/7 Emergency Call Out

## Accreditations

Here at Cool Services we want our customers and their employees or tenants to live and work in a safe and secure environment which is why safety and quality is at the core of our organisation. All our engineers, technicians, apprentices and administrative staff receive ongoing training so that they remain up to date with all statutory and technological developments.

This ensures that your installation and equipment is compliant and safe, helping you minimise cost, save time and support your health and safety obligations.

Our services are accredited by the following:

## The Yee Group difference

Cool Services is a Yee Group company. Within the group we offer a range of specialised services in three broad business streams: **SAFETY, SPACE & TAILORED SOLUTIONS.**

### SAFETY

Includes Fire Alarms, Extinguishers and Emergency Lighting together with Security Systems such as Intruder Alarms, CCTV and Access Control.

### SPACE

Includes Air Conditioning and Electrical Contracting Services such as EICR, LED lighting and Electric Vehicle Charging.

### TAILORED SOLUTIONS

Bespoke services to suit specific requirements such as **Passive Fire Protection.**
